

# Accessing your SSAT Account after Batch Registration

If your student's school or other organization has registered your child for testing, student and parent/guardian SSAT accounts will be automatically created for you.

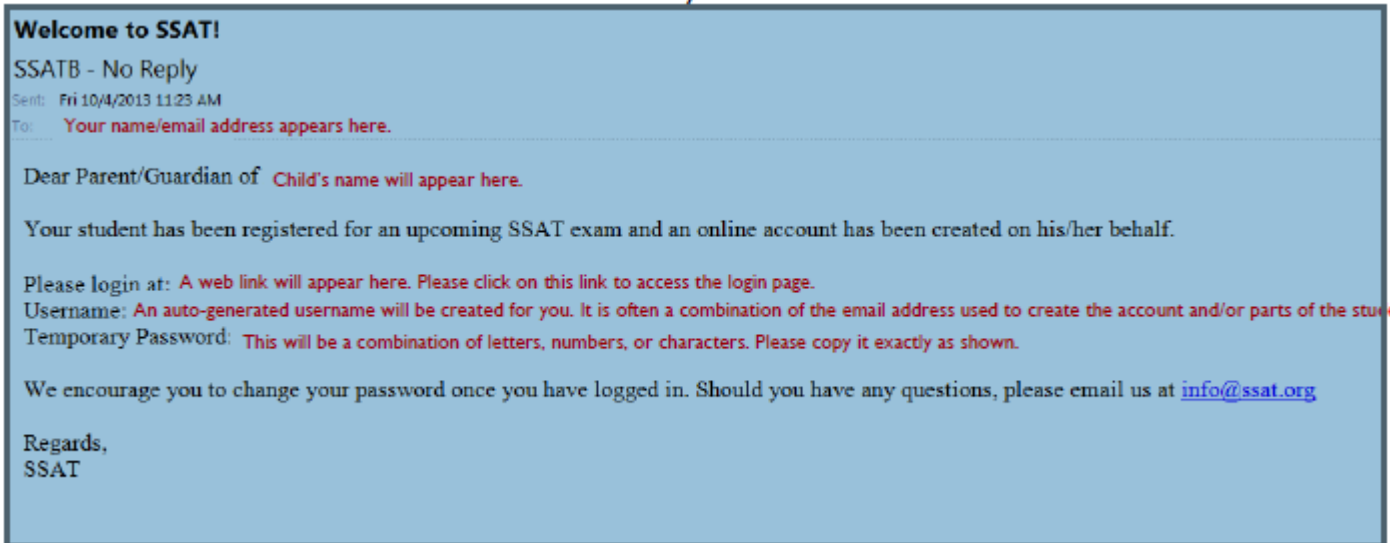

Use this tutorial to access your account in order to print your admission ticket, register for additional tests, check for scores, complete the SAO, or other functions.

# Option 1: Use the Email Sent to You

- After batch registration, an email is sent to the family email address listed by the school.
- Use the links in that email to access your account.

*You will be asked to reset your password and will need to update your account information when logging in.*

# Option 2: Log On at <https://portal.ssat.org>

- Visit <https://portal.ssat.org> .
- First, click “Forgot Username.”
- Then enter the family email address listed by the school and click “Continue.”

*You will receive an email with your SSAT username within a few minutes.*
